Visitors and Customers Are Always Welcome

When You Think "Perennials"
Think Joseph F. Martin, Nurseries

IN PRESENTING this edition of our Wholesale Price List, we wish to thank our customers for their liberal past patronage and take pleasure in soliciting their further orders. With our seventy-five acres of Perennial Nurseries and Storehouses, we are able to fill orders in small or extra large quantities promptly and with satisfaction.

In the growing of our stocks we endeavor to give most careful attention to cultivation to insure prime quality and we have taken great pains to keep our varieties pure and true to name. All are nice field grown plants.

In making up this Price List we have eliminated many items that we consider not worth growing, in view of the best staple varieties.

No perennials sold in quantities less than six of a variety. Special prices on large quantities. Write for quotation stating your needs.

It is our wish to offer our customers only the best in our line.

Yours respectfully,

JOSEPH F. MARTIN
